Polly, I think you got the email about Krieger and Melanie resigning. They are, hopefully, writing a scorching finger pointing Avie and Cathy as a primary reason for resigning. I've already talked to Barbara and Nancy, but it's hard to say what's going to happen politically with the Board at this time. But I'm hoping this will catch fire in the MVHS community. For now, April wants to know if she is going to get that .5FTE for new leadership, ala Tim and Melanie. We are assuming Fred is fulltime AP. They do have a teacher/teachers in mind for a replacement. Your thoughts?

I am hoping all is/was terrific with the wedding. Johanna and Eddie left for Pittsburgh this morning. SR
